An Out Reach Ministry of Central United Methodist Church

November 2018

## Happy Thanksgiving!

### From the Office:

The cold and flu season is upon us. Please remember these rules for hand washing.

Always wash your hands:

- After using the toilet
- After you blow or wipe your nose
- After you play with pets
- After you play with sports equipment
- After you play outside
- After handling raw food
- Before eating

## Let's stay healthy!

Steps to good hand washing.

1. Use soap and warm water.
2. Wash for at least 20 seconds (the length of the Happy Birthday song)

3. Cover your palms, the back of your hands, and in between your fingers with soap and suds.
4. Make a good sudsy lather, and get underneath your fingernails and in between your fingers.
5. Rub and scrub! It is the suds and the friction that kills germs.
6. Use a clean paper towel to turn off the water faucet.
7. Dry your hands with a clean disposable paper towel.
