This flu season take extra care to protect your family. Simple reminders to your little ones may help reduce the risk of being ill and spreading germs.

## Protect yourself and others from the flu!

**Wash your hands**  
often with soap and water.

**Avoid close contact**  
with people that are coughing or sneezing.

Always **cover your mouth** when you cough or sneeze.  
**Avoid coughing into your hands.**

**See a doctor** if you have flu like symptoms such as cough, headache, fever, joint pain, sore throat and a running nose.

**Children, pregnant women and the elderly should take extra care** during this flu season.
