From the office...

Happy February! We are looking forward to celebrating Valentine's Day with our little ones! Check your class calendar for celebration details. As winter continues, please remember to send your child with appropriate clothing for outdoor play. Health Reminder: To keep our school community safe and healthy, please remember to keep your child at home if they are feeling unwell. If your child exhibits any symptoms of illness, it's best for them to rest and recover before returning to school.

Reminder!

Registration forms for the 2025-2026 school year are due by **Friday, February 21st.**

February is Children's Dental Health Month, and it's a fantastic opportunity to teach our little ones about the importance of taking care of their teeth!

Fun Activities to Promote Dental Health:

- **Brush Along Songs:** Create a fun brushing routine with songs that last for two minutes!
- **Dental Health Crafts:** Make fun art projects using toothbrushes and toothpaste tubes.
- **Storytime:** Read books about visiting the dentist and taking care of teeth.
